

Bewbush Community Nursery CIC June Newsletter

Message from the team...

Welcome back to the children and families that have returned to nursery so far! We were shut for 10 weeks! Never could we have expected this to happen in our lifetimes! The children who have returned have coped amazingly and adjusted to the changes we have made. We hope everyone else who hasn't come back yet is well and we look forward to seeing you soon. We would love you to all stay in touch using Tapestry posting what you and your children are getting up to at home! We will be using Tapestry more to communicate with you so please let Sarah or Emily know if you cannot use it!

Sun cream

Please can we ask you to apply sun cream to your child before bringing them to nursery. We will apply more later in the day if necessary
