

# Bewbush Community Nursery CIC August Newsletter

Message from the team...

The summer holidays are whizzing past! In the nursery we have been having lots of fun holding a talent show, making musical instruments, making ice cream, looking at foods from around the world and much more fun is planned. Please look at our photos on Tapestry of what we have been getting up to! We are looking forward to welcoming more children back in September and meeting our new families that are starting with us. It's also a sad time as we say farewell to our children and their families that are leaving to start school. We will miss you all!

## Rain Coats

**Please can we ask you to ensure your child has a waterproof jacket when they come into nursery as we do go out in the garden in all weather! (please write their name inside)**

## **Tapestry**

It's very important that you as parents are able to access and use Tapestry. We now use Memo's to share important messages, and share our weekly food Menus with you. Moving towards September we will be letting you know about changes to the way we use Tapestry for planning for your child's development which will require your input! There is also an all about me section on Tapestry which we would like you to complete about your child if you haven't already! Please engage and share photos of things your child has been getting up to at home, we love to see them. Did you know you can like and make comments on observations and photos in your child's Tapestry account? If you have any questions or problems in accessing Tapestry please speak to Emily and Sarah.

## **Late Payments**

As you will have seen in the recent email you were all sent if invoices are not paid in advance by the 1<sup>st</sup> of the month you will automatically be charged a late fee of £10.00.
