

Bewbush Community Nursery CIC October Newsletter

Message from the team...

We wanted to say a big well done to all the children (and parents) who have returned to us or just started for settling in so well in the current circumstances. Thank you to all the parents that have completed or updated the **About Me** section on Tapestry. We requested these be completed by the **1st October** so please ensure it is done by the end of the week at the latest. This can be found by first clicking the CHILDREN tab, then clicking on your child's name, it will appear on the drop-down menu below. We have loved seeing the photos you have been sharing with us of what you get up to at home with your children. Keep up the good work!

Thank you for supporting our Jean's for Genes day by sending your children into nursery in denim we raised £24.00.

Have you changed your contact details? Please let us know if you have changed any details so we can update our records

Weather Changes

Please ensure your child has a suitable coat and footwear please now the autumn weather is here! If you could put name labels in them this would help us identify what belongs to who!

Don't forget this week we will be joining in Peppa Pig's Muddy Puddle Walk so please ensure your child brings a coat and welly boots in with them every day during this week

Invoices

This month we are trialing sending invoices via our nursery software, to the email address you used when registering your child. Please email Emily at accounts@bewbushcommunitynursery.co.uk if there is a specific email address you wish to use for invoices. Please be aware this software will automatically add late payment fees for invoices not cleared by close of day on the 1st of the month.

What's Happening in the Nursery

We will be continuing to explore our theme of **All About Me** and looking at **Seasons and Weather**
