

Bewbush Community Nursery C.I.C. March Newsletter 2022

Message from the team...

Our dentist visit last term was a success and we had 14 children able to register with Bewbush dental, we hope to continue our partnership with them and hold more events in the future to promote oral health

During the half term holiday, we had a move around of some of the workshop areas. The children and staff seem to like the changes!

We have a new member of staff called Stacey joining us and we also have a new student called Jess this term.

Does anyone know someone who could help us with some maintenance around the nursery?

We have a limited budget

Please speak to Sarah, Mandy or Emily if you can help

Have you changed your contact details? Please let us know if you have changed any details so we can update our records

Thank you to all the children who took part in this year's world book day. It was great to see so many children dressed up and such a variety of outfits!

Big thank you to Adrian, Lexi and Allie's Mums for all coming in to read to the children. It was lovely to be able to welcome parents back into the setting to take part in our events again.

Reminders!

Did you know your child has a named coloured tray in the nursery?

This colour relates to your child's family key person group.

We will be rotating these out into the parent's area on a regular basis so you can take your children's art work home. So please keep an eye out for your child's tray or feel free to ask for it.
