Warm Weather

As the weather hopefully warms up, please can I remind you all to apply sun cream on your child before you send them into nursery. We will apply more sun cream if your child is in for a longer session. Please ensure your child brings a raincoat as we know the British weather can cause sudden downpours and our garden areas are open in all weather conditions!

Can I also recommend that you put your child's name in their coats, jackets, jumpers etc as we have lots that are the same and it is hard for us to know what belongs to whom.

Family Key Person

This term is our busiest term so we've made a few changes to our staffing so you may have a new Family Key Person. Check out Tapestry this week to find out and meet the Team of Summer 2022!

Birthdays

Did you know... we can offer your child a birthday celebration during their normal session! For just £10 (booked and paid for in advance) we can offer a cake, balloons and party game! If you would like to use this service, please speak to a member of staff to get booked in.
